

Dear Flyin Ryan Foundation Colleagues,

It is my pleasure to offer my recommendation of Irian Adee as you consider her Adventure Scholarship application. I have been coaching Irian for several ski seasons, and prior to that she was coached by Adventure Scholarship alumnus Tami Razinger. Irian shares Tami's positive attitude and deep love for the sport of skiing, she is an excellent teammate and friend to her fellow team members, and she is really a joy to have on my team. Last winter Irian was awarded the 2019 IFSA Eastern Region Flyin Ryan Award at the Jay Peak finals in March, and through the past few seasons she is often in the discussion when coaches are deciding on award recipients at individual events. I know that Irian will make good use of the award, and that she will always represent the Flyin Ryan Foundation in a way that will make us proud.

Thank you,
Bryan
