Re: Recommendation Letter for Maddie Walbrun

To whom it may concern

My name is Tobin McRae and I have had the pleasure of working with and coaching Maddie Walbrun for the past 3 years in big mountain freeride skiing. It has truly been a pleasure working with her to develop her skills as a skier, a competitor and as a person over this time, and I have complete confidence in recommending her for this scholarship. She is very committed, dependable, and adaptable in her pursuits in the mountains. Whether it is coming up with competition lines, risk management in exposed terrain, professional work ethic and drive (she always gives 100% effort), I have no doubt in Maddie's adventurous and driven nature. I therefore highly recommend her for this scholarship and I believe she is the right person for it.

Sincerely,

A handwritten signature in blue ink that reads "Tobin McRae". The signature is fluid and cursive, with a long horizontal line extending to the right.
