

To whom it may concern

Peter Monohan is an extraordinary young man. As his middle school Physical Education teacher and my son's friends since Pre K, I have seen many examples of his talent and have long been impressed by his self-direction and willingness to explore. I understand that Peter is applying to Flyin Ryan Foundation for your Adventure Scholarship Program and I would like to strongly recommend him to become one of your Scholars.

Pete is always looking for ways to stay active and is dedicated toward seeking out adventure. It is in Pete's nature to go out of his way to help other students and staff at Flood Brook School Middle School. Peter has a willingness to learn new things and ask for assistance if he does not understand. Pete will be one of those people that always loves to play and combined with his existing talent as an athlete makes him an ideal candidate for Flyin Ryan Adventure Scholarship. If his performance in my class is any indication of how he will succeed, Peter will be a positive addition to your Adventure Scholars.

To conclude, I would like to restate my strong recommendation for Peter Monohan. If you have any further questions regarding Pete's ability or this recommendation, Please do not hesitate to contact me at mweikert@brsu.org or 802-824-6811 ext 5121.

Sincerely

Mark T. Weikert
